

Circular route

- 1 From the front door of the hotel, head down the garden and turn right at the lakeshore.
- 2 Join the path heading towards the lake edge and go through the gate into the marina. Follow the hotel walk signs and yellow markers straight through the marina and into the fields beyond. The yellow markers continue into the fields and are easy to see.
- 3 At the other side of the fields the path narrows into a single-track footpath. Follow it until you reach a hamlet of houses at Watermillock and the main road.
- 4 Turn right on to the road until you come to the first left road turning. Take care on this part of the road as there are no pavements, it's a fast stretch of road and can be busy. There is a bus stop at this junction. This stretch of road is not suitable for young children or dogs.
- 5 Follow the road uphill past Watermillock Village Hall and then on to the church. The church is approximately 1.5 km up the hill on the left-hand side.
- 6 About 200 m past the church, you will see a footpath sign with the Ullswater Way daffodil logo on your right-hand side. Follow this path through the fields, keeping left at a fork in the path, until you come to the single lane road.
- 7 Turn right on to the lane at the top of the hill. Follow the road to Bennethead and Wreay, then continue to follow it down the hill to The Brackenrigg Inn.
- 8 At The Brackenrigg Inn, turn left on the new path behind the hedge, to avoid the road section, back to Another Place.

Another Place Walking Loop

Moderate | 6 km | 1 hour 50 minutes

MORE WALKS THIS WAY

ANOTHER PLACE

Walking in the Lake District comes with risk and conditions change quickly. We would always recommend checking the weather forecast, wearing suitable clothes and choosing a walk for your ability. We would also recommend taking an OS map and compass, and know how to use them. The hotel takes no responsibility for any injury, loss or damages that may occur when following the directions.

A short walk (or run) from the door of the hotel, starting along the edge of Ullswater and climbing to a reasonable height, with stunning views at the higher points of the walk. This loop includes lakeshore, a walk through the marina and country back roads.
