ANOTHER PLACE

Walking in the Lake District comes with risk and conditions change quickly. We would always recommend checking the weather forecast, wearing suitable clothes and choosing a walk for your ability. We would also recommend taking an OS map and compass, and know how to use them. The hotel takes no responsibility for any injury, loss or damages that may occur when following the directions.

Outstanding views towards the head of Ullswater, as you approach the bustling village of Pooley Bridge, make this a very special walk.

Quiet roads and footpaths through fields, this walk has some uphill hiking, but is not technically difficult. Unsuitable for pushchairs, due to stiles and narrow gates.

Distance: 5 km  
Duration: 1 hour 50 minutes
