ANOTHER PLACE

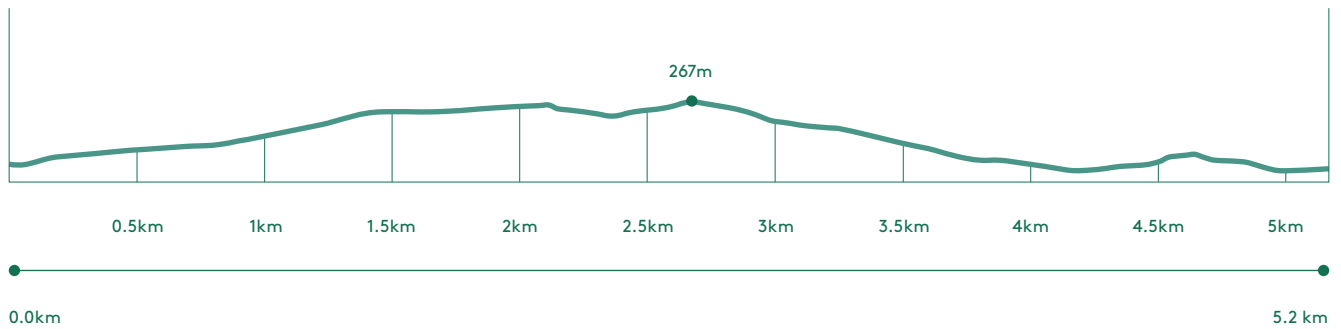

Walking in the Lake District comes with risk and conditions change quickly. We would always recommend checking the weather forecast, wearing suitable clothes and choosing a walk for your ability. We would also recommend taking an OS map and compass and know how to use them. The hotel takes no responsibility for any injury, loss or damages that may occur when following the directions.

MODERATE

A pleasant stroll along quiet roads and footpaths, this walk is steep in places but not technically difficult. There are stiles and narrow gates, that make this walk unsuitable for pushchairs.
