

## Circular route

- 1 From the hotel entrance turn right.
- 2 Join the path heading towards the lake edge and go through the gate into the marina. Follow the hotel walk signs and yellow markers straight through the marina and into the fields beyond. The yellow markers continue into the fields and are easy to see.
- 3 At the other side of the fields the path narrows into a single-track footpath. Follow it until you reach Watermillock and the main road.
- 4 Turn right at the road until you come to the first left road turning. Take care on this part of the road as there are no pavements, it's a fast stretch of road and can be busy.
- 5 Follow the road towards Watermillock Village Hall and church. The church is approximately 1.5 km up the hill on the left-hand side.
- 6 About 200 m past the church, you will see a footpath sign with the Ullswater Way daffodil logo on your right-hand side. Follow the path through the fields, keeping left at a fork in the path, until you come to the single lane road.
- 7 Follow the road to Bennethead and Wreay, then continue to follow it down the hill to the Brackenrigg Inn.
- 8 At the Brackenrigg Inn, turn left and walk for a short amount of time along the main road, again taking care on this fast stretch of road, back to Another Place.

*Walking in the Lake District comes with risk and conditions change quickly. We would always recommend checking the weather forecast, wearing suitable clothes and choosing a walk for your ability. We would also recommend taking an OS map and compass and know how to use them. The hotel takes no responsibility for any injury, loss or damages that may occur when following the directions.*

MODERATE

A short walk (or run) from the door of the hotel, starting along the edge of Ullswater and climbing to a reasonable height, with stunning views at the higher points of the walk. This loop includes lake shore, a walk through the marina and country back roads.
